

TENURE TRACK TEACHING POSITION ANNOUNCEMENT

The Department of Mathematics, College of Natural Sciences at the Río Piedras Campus of the University of Puerto Rico announces a search for a tenure track teaching position, effective on January 2, 2023.

Requirements:

- Ph.D. or equivalent degree with specialization in Pure Mathematics, in any area of Pure Mathematics (Discrete Mathematics, Analysis, Differential Equations, Geometry, Topology, etc.) or very closely related disciplines, from an accredited university. Exceptional candidates in any area of Mathematics could also be considered.
- Teaching experience at the university level.
- Capacity for effective in person and online teaching.
- Publications in academic journals.
- Availability for projects and practice supervision.
- Capacity for research in the area of expertise.
- Commitment to excellence in teaching.
- Demonstrated knowledge in the use of educational technologies
- Proficient in Spanish and English.
- Preferably with professional experience in the preparation of proposals for external funds.

Responsibilities: To teach in person and online undergraduate and graduate levels during the day, night, and Saturdays. Conduct research and publish in their areas of expertise in peer review journals. Supervise thesis, dissertations and professional practices. Develop proposals seeking external funding. Participate actively in committees and in departmental and university service activities and projects as well as comply with all the responsibilities of the teaching staff contained in the General Regulations of the UPR.

Required documents:

- American Mathematical Society (AMS) cover sheet
- Updated Curriculum Vitae
- Intent letter describing the academic vision in teaching and research, research areas and publication
- Official academic credentials of all their degrees
- Evidence of research, publications and creative work, including the most relevant publications, or links to ResearchID, ORCID, and Google Scholar
- Student and peers' assessments, if available
- Three (3) recommendation letters

Deadline to receive documents: October 2, 2022.

Applicants must submit the following documentation:
